ANY QUESTIONS....?

This booklet will provide you with all the details of all the business and services offering discount within the scheme. There are a variety of discounts available to you so why not take advantage and 'shop till you drop'. You can always stop at one of the restaurants or health and beauty studios featured for a well earned coffee break or a bit of rest and relaxation. Enjoy!

How does the discount card work?

When you initially register with Jobshop you will be asked to sign your own personal discount card and this will be left with us in the Jobshop offices.

With your first assignment letter and timesheet you will then receive your laminated, activated discount card, with unique reference number, which you can begin using immediately.

Do I have to show the discount card in order to receive my discount?

Yes, it is essential that you show your discount card in order for this scheme to work properly.

What should I do if I don't receive a discount card when I start temping with Jobshop?

Call Jobshop on 01202 674488 and we will send one to you as soon as possible.

When I receive my P45 from Jobshop UK and finish working, what should I do with my discount card?

Your discount card remains the property of Jobshop UK and must be returned to our offices when you receive your P45.

If you have any further questions, you are very welcome to call us on 01202 674488 and we will be happy to help.

Please keep an eye out on our website for further additions to the discount scheme!
